Changing lives,  
pioneering care.

- 1 The game master chooses a winning number from 1 to 30 and secretly writes it in the corner, folding it over so players cannot see.
- 2 Players make a donation (suggested £2 per entry) to put their name next to a yellow item.
- 3 Once the sweepstake is full, the game master reveals the winner who receives half the proceeds, or another prize of the organiser's choosing.
- 4 The remaining money goes to King's College Hospital Charity to help change lives and pioneer care.
